

## ***BRITISH ALPACA FUTURITY 2008 – FASHION SHOW – CLOSING DATE 4<sup>TH</sup> JANUARY***

Clyde Sheriffe, associate lecturer at the Leeds College of Art and Design will be organising and running the alpaca fashion show to be staged during the lunch time break on Saturday 16<sup>th</sup> February and then during the evening champagne reception for ticketed guests.

Clyde has extensive experience in running such events on a professional basis and will ensure we have a fantastic display of alpaca clothing and accessories for presentation to the alpaca enthusiasts and visiting public on the Saturday.

The show will be in two parts. Students from the Leeds College of Art and Design Clothing and Fashion courses have been commissioned to design and produce a range of exciting products manufactured from British made alpaca yarns kindly donated by UK Alpaca Ltd. These will form the basis of the first half of the show.

For the second half, submissions are being sought for commercially available alpaca garments and accessories made by or sold by producers, wholesalers and retailers in this country. Such items do not necessarily have to be manufactured in the UK or made from British alpaca yarns, but UK designs and products are especially welcome. Products submitted will be reviewed by Clyde for inclusion in his presentation and those successful in his selection will be highlighted on the day with full credits given during the running commentary.

This is a wonderful opportunity to promote your products and see them modelled on a professional basis to a targeted audience.

The British Alpaca Futurity would urge you to submit suitable clothing or accessories by the closing date of 4th January 2008. Those successful in achieving selection will be notified shortly afterwards and a small charge of £25 for one item and £5 for each additional item selected will be made towards the costs of staging the show. All prices plus VAT.

Please complete the form below and send with your items as soon as possible to:
