Submission For Fashion Show

CLOSES 14th January 2012

The Futurity Fashion show will once again feature garments and accessories made by or sold by producers, wholesalers and retailers in the UK. Such items do not necessarily have to be manufactured in the UK or made from British alpaca yarns, but UK designs and products are especially welcome. This catwalk event will be run during the reception (ticket entrance only) on Saturday evening.

This will be a wonderful opportunity to promote your products and see them professionally modelled to a targeted audience. Full credit will be given for each item in the running commentary of the show. Applications to submit items for inclusion in this event should be made by completing this form and returning it to the address below as soon as possible. Garments need NOT to be delivered until 8th March 2012. The Futurity will not be charging for this opportunity.

With each item delivered please include a full description of the product, the designer if known, the country of design, the country of manufacture and if it uses British alpaca yarns.

All items should carry a makers label for ease of identification and return.

I will be submitting the following items for the Fashion show:

1: _____ **2:** _____
